“Snippets of a Quilter “ - Marion Gerry

I made my 1st quilt at age 7 or 8. I was so long getting back to it my grandmother finished quilting it. Since then I have tied almost every needle craft there is but always came back to sewing and quilting .

Outreach

. I have lots of projects to keep you busy and out of trouble.

1. Quilts 50 by 60 for dialysis patients. Kits with fabric and batting are ready and if you need flannel for the back, let me know.
2. Lap robes for wheel chairs 30-35 wide and 40-45 long. They also need flannel or fleece on the back. I have batting if you need some.
3. Quilts for children for Child Advocacy and VCRS.
4. Placemats – cut 12 and ½ by 15 and ½ to finish 12 by 15. Christmas and birthday.

Thank you in advance. No need to ever be bored.

If you had the opportunity to attend the Quilter's Estate Sale, I expect you would have noticed how beautifully, Betty Norberg, had all of her fabrics folded! This month, I searched for ways that fabrics can be folded, for storage and for fun.
